

ENTREPRENEUR BUSINESS TIMES CHAMPIONS YOUNG LEADERS AND WOMEN ENTREPRENEURS WITH 'SHELEADS' IN ITS FIRST DIGITAL MAGAZINE EDITION

[Entrepreneur Business Times](#), India's rapidly emerging **digital business magazine and online business news portal**, is thrilled to announce the introduction of **"SheLeads"** — a powerful and inspiring section in its very first monthly digital edition. With this launch, we aim to spotlight **new-age founders, bold women entrepreneurs, and dynamic young leaders** who are reshaping industries, building legacies, and proving that age or gender has nothing to do with creating impact. Let's be honest—behind every successful pitch deck, unicorn valuation, or strategic pivot is often a *visionary young mind or a fearless woman founder* and we think it's about time they took center stage.

What Is 'SheLeads'?

"SheLeads" is not your average inspirational column. It's a **celebration of grit, growth, and game-changing leadership**. Through in-depth feature stories, we bring you the untold journeys of:

- Young entrepreneurs making waves before turning 30
- Women-led ventures rewriting the rules of business
- Founders from Tier 2 and Tier 3 cities redefining success
- Social innovators turning passion into sustainable business models

From college dorm brainstorming to boardroom breakthroughs, **Entrepreneur Business Times** captures it all in this dedicated segment.

Why Focus on Young and Women Entrepreneurs?

Because they're no longer the exception—they're the force.

We believe *entrepreneurship doesn't come with age restrictions or gender filters*. It comes with **vision, execution, and bold thinking**. And some of the **brightest ideas are coming from the most unexpected corners** of India.

"SheLeads" puts a well-deserved spotlight on:

- Women founders leading in tech, fashion, education, and social impact
- Youth-led ventures changing how we shop, commute, learn, and connect
- Girls coding their way to the top—and balancing school, side hustles, and startups
