

ENTREPRENEUR BUSINESS TIMES - A PREMIUM DIGITAL MAGAZINE WITH RELEVANT COVERAGE OF PAN INDIA'S BUSINESS NEWS & SUSPECT TRENDS

New Delhi, India – As entrepreneurship continues to reshape the Indian economy, a new digital platform is providing a platform to empower, educate and motivate future business leaders. Entrepreneur Business Times a world-class content heavy digital magazine that is being launched to echo the spirit of India's entrepreneurship ecosystem's leaders, founders, CEOs, policy-makers. Envisioned to be "*The Voice of Modern Leaders*," the digital magazine is poised to emerge as India's first-choice destination for the entire startup ecosystem and the leadership community for original, compelling and thought-provoking strategic business content.

When entrepreneurial energy in India is exploding and 9 of 10 founders are failing there couldn't? Be a better time to fill the content gap for the people who create and lead. Designed specifically for CEOs, business owners, entrepreneurs, leaders, visionaries, and decision-makers on the rise, this digital-first magazine is dedicated to providing case studies, figures, and action-focused guidance and easy-to-apply tips. With deep-dive editorials, founder journeys, playbooks of ninja growth hacks and expert commentaries, solution-oriented insights and data-backed trends, the digital magazine offers intelligent business-industry journalism with a uniquely Indian insight.

Every digital issue will consist of a curated selection of exclusive interviews, leadership advice, startup growth tips, and hands-on business solutions. Themes will revolve around leadership building, startup tactics, financial literacy, digital strategies, innovation, self-improvement, and industry trend casting. It will also share the success stories from India's vibrant startup centres (eg. Delhi, Mumbai, Bengaluru, Hyderabad, Kochi, Jaipur, Ahmedabad, and Indore). The digital magazine, which will be available in English and Hindi to begin with, will be aimed at keeping it reachable and will extend to regional languages in the future.

There is much in the editorial blueprint to admire. Topics covered in leadership and management include how today's top business leaders are scaling their teams, generating innovation and leading with emotional intelligence. For startup rise, the digital magazine will share information on city-wise startup ecosystems, bootstrapping guide, ways to develop most valuable player, and strong advice from the founders. Fiscal content will cover such topics as raising capital, tax planning, and bringing millionaire mentality. Marketing and sales tactics will include everything from digital growth hacks to brand storytelling and influencer outreach. The tech and innovation section will decode AI, automation, no-code platforms and new tech trends that are key for entrepreneurs. You can expect that the personal development angle will have routines, productivity techniques and book suggestions for founder. Special reports will have such lists as *"Top 100 Startups to Watch,"* *"Top 10 Business Ideas Under ₹5 Lakh"* and *"India's Emerging Unicorns"*, which will act as data-rich thought leadership articles.

Entrepreneur Business Times is targeted toward 25 to 55 year-old readers, most of whom are entrepreneurs, business owners, startup founders, C-suite of SMEs, investors, and any other ambitious professionals in the region. It will be available across the major digital platforms - LinkedIn, Facebook, Instagram, YouTube and Twitter, with free access for the first three months for early subscribers. The launch campaign will include an integrated digital rollout, podcast interviews, curated newsletters and a downloadable Founder's Toolkit – a set of invaluable resources and frameworks to support entrepreneurs in building, managing, and scaling.

The site also has availability for founding sponsorships, which provide brand alignment possibilities through co-branded content, editorial, social media and the newsletter. Early-stage sponsors will experience long-term association advantages and never-before access to its rapidly expanding business-reading and startup enthusiastbase in India. And given the digital magazine's business model, there will also be opportunities to integrate brand storytelling—sponsored articles, case studies, leadership perspectives—that benefits both our audience and our advertising partners.

In response to the launch, Editor-in-chief published: *"We conceptualised it as a platform which could provide India's entrepreneurial voice its much needed visibility and significance. Our aim is to present business content smarter, more relatable and deeply actionable for the contemporary Indian entrepreneur. Each edition will embody the mindset of the ambitious leader — inquisitive, daring, resourceful and future-oriented. We're not here to just cover the business news; we're here to encourage leaders and explain the startup*

journey and write a story of progress. As India's business landscape rapidly evolves, our digital magazine will play the role of a catalyst — helping the ideas to germinate and challenges to transform into milestones. We invite our readers, our partners, and the business community at large to join us on this exciting journey."

Highly Targeted Audience
